

DUBAI CENTER for SPECIAL NEEDS
مركز دبي للرعاية الخاصة

Application Requirements

1. The following documents are required in order for the applicant's name to be placed on the waiting list:
 - A. Completed Application Form.
 - B. Copy of child's passport (including visa page and Emirates ID).
 - C. Copy of child's birth certificate.
 - D. Copy of child's immunization record.
 - E. Copy of child's medical records.
 - F. Copy of child's previous educational records.
 - G. Four (x4) passport size photographs of the child.
 - H. If your child has been diagnosed with Down Syndrome - a dynamic X-ray of the neck (inflexion/extension) must be supplied.
 - I. Copy of father & mother's passports (including visa pages and Emirates ID's).

2. Any child seeking admission to the Center must be evaluated by the Director, and with and the multi-disciplinary team (comprising of Occupational Therapist, Speech & Language Therapist, Physiotherapist and Senior Teacher). Depending on the child's performance with the Director and multi-disciplinary team, a decision for admission will be made. Please note admission after assessment is **NOT** guaranteed. During this evaluation, the child must be accompanied by both parents.

The purpose of this evaluation is to:

- Assess the child's cognitive skills, speech and language skills, perception skills, social skills and motor abilities.
 - Ascertain whether or not the programs available at the Center correlate with the child's needs.
 - Determine appropriate placement within the Center.
 - Assess equipment needs and make appropriate recommendations.
3. A fee of **Dhs1,600** is due when attending the initial assessment with the Director. Depending on the results of this assessment, an appointment will be scheduled with our Team to evaluate the child's current level of performance. An additional fee of **Dhs1,600** will be charged for this team assessment, which should be paid in advance. Please note both fees are **non-refundable**.
 4. Once the decision has been made to admit the child, then the admission is further subject to compliance with equipment requirements and recommended screening x-rays, if applicable.
 5. Upon the child's admission to the Center, parents will be invoiced for tuition and transportation fees (if transportation is required). Tuition and transportation fees must be paid in full, by cash, cheque, bank transfer or credit card in advance, or on a termly basis via post-dated cheques.
