Director's Message...

Dear DCSN supporters and parents,

As we approach the closing of another fulfilling academic year, I am filled with pride and gratitude for the energy, spirit, and sense of community that have defined our final term at DCSN.

This term has been especially vibrant, starting with our much-anticipated “Annual Sports Day”, a celebration of ability, determination, and teamwork. Our students gave their best, and the cheering from families and staff reminded us all why this day is such a cherished tradition.

We also hosted a series of special assemblies that brought together our supporters, whose enthusiasm and unwavering encouragement deeply moved us. Your engagement reminds us that we are never alone in our mission, and that the heart of DCSN beats strong thanks to your support.

Another highlight was our unique and heartfelt event, “A Day in the Life of Your Child,” which offered parents a window into their children’s daily experiences at DCSN. Walking side by side with their children through routines, learning activities, and joyful interactions was a truly powerful moment of connection and understanding.

As we wrap up this term, I want to thank each and every one of you for making this journey so meaningful. Together, we continue to grow stronger, more united, and more inspired. Wishing you all a restful and joyful summer break ahead.

Sincerely,

Dr. Mahshid Salehi
Director

A Day in the Life of your Child

An Unforgettable Journey of Connection and Celebration

Parents were invited to experience a day in the school life of their children at DCSN, stepping into classrooms, therapy sessions, and daily routines. The event offered a meaningful glimpse into the students' world, filled with learning, laughter, and growth. It was a day marked by heartfelt emotions, pride, appreciation, joy and a deepened bond between parents and their children. Every small achievement was celebrated, highlighting the strength, love, and dedication that define the spirit of DCSN. We extend our warmest thanks to all the parents who participated and made the day truly special.

Enriching Experiences

Building Skills, Creating Memories

This section celebrates the many enriching experiences our students have enjoyed throughout the term. Each one an opportunity to grow, connect and shine. From hands-on work placements both on campus and with community partners like Tavola and RAK Bank, to engaging in-office tasks such as filing, laminating, recycling, and shredding, our students continue to develop essential life and vocational skills.

Beyond the workplace, students took part in cooking sessions that sparked creativity and independence, refreshing swimming lessons that built confidence and physical strength and an empowering first aid training conducted by Dubai Ambulance in partnership with AccessAbilities Expo, equipping them with valuable knowledge. Each of these moments plays an important role in helping our students prepare for the future.
